

# Remo Data Bridge User Manual

---

**Version:** 1.0 **Last Updated:** 2025-12-30

---

## Table of Contents

---

1. [Accessing the Site](#)
  2. [Login](#)
  3. [Dashboard](#)
  4. [Request List](#)
  5. [Create New Request](#)
  6. [Request Detail](#)
- 

## 1. Accessing the Site

---

### Access URL

<http://remo-data-bridge.remo.re.kr:3015/>

### How to Access

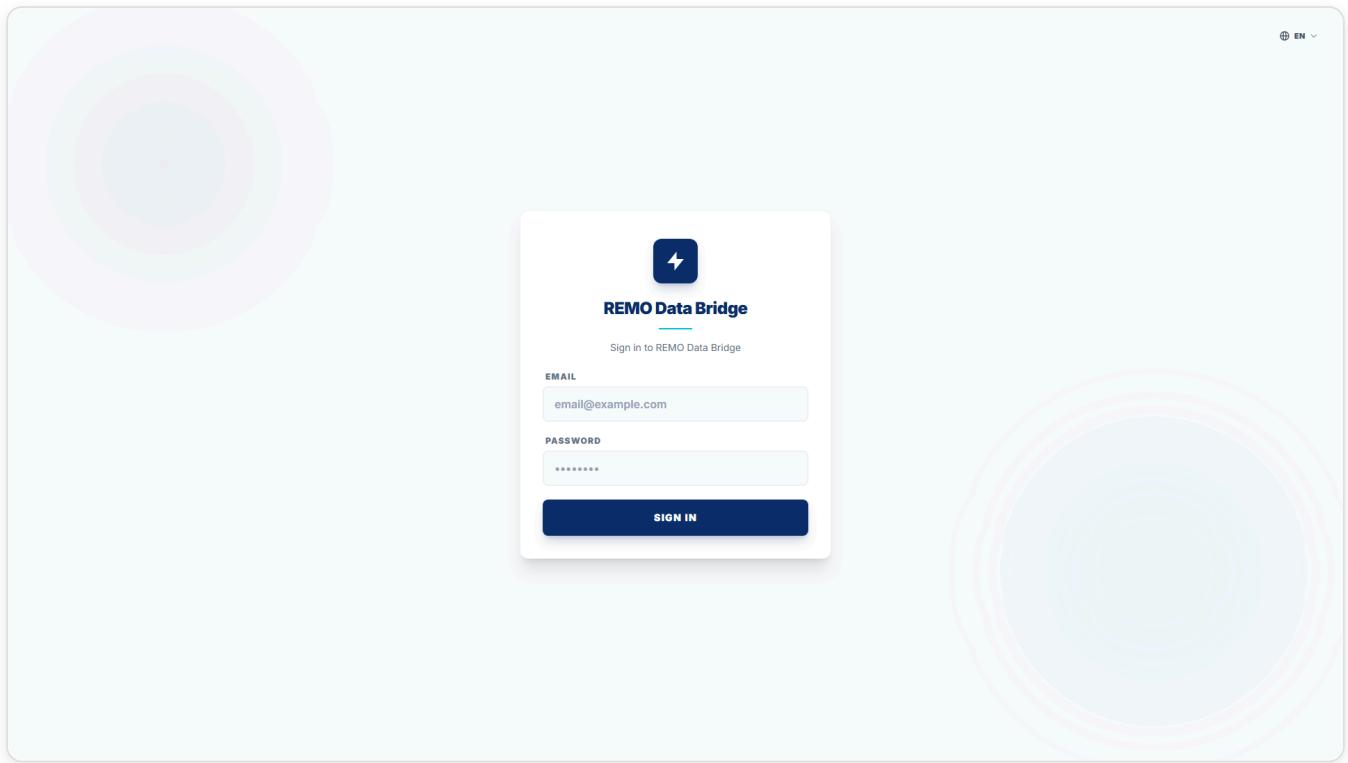

1. Open a web browser (Chrome, Edge, Safari, etc.).
2. Enter the URL above in the address bar.
3. Press Enter to access the site.

### Recommended Browsers

- Google Chrome (latest version)
  - Microsoft Edge (latest version)
  - Safari (latest version)
-

## 2. Login

---

### Description

- This is the login page for accessing the system.
- Enter your email and password to log in.

### How to Use

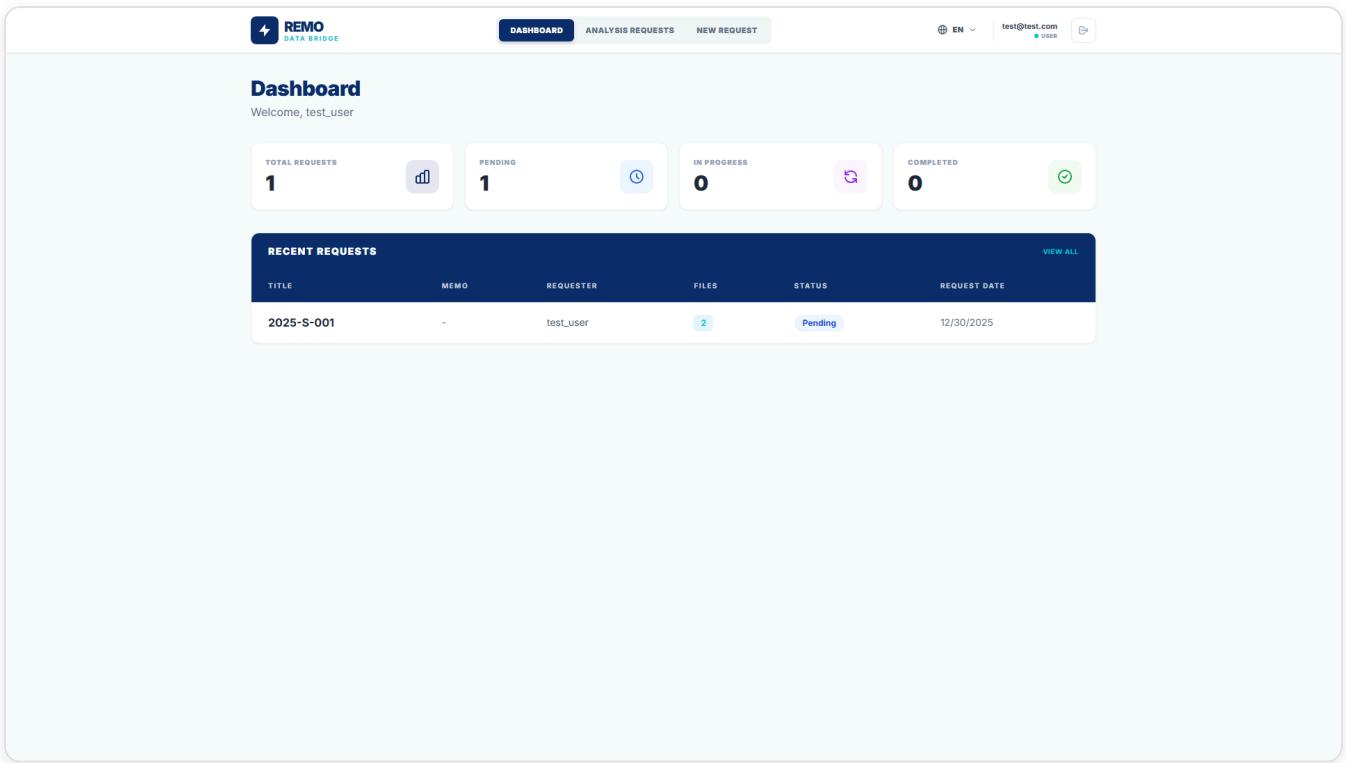

1. Enter your email address.
2. Enter your password.
3. Click the **Login** button.

### Account Creation

- If you do not have an account, you must request account creation from REMO.
  - Account creation request: [info@remo.re.kr](mailto:info@remo.re.kr)
-

### 3. Dashboard

---

#### Description

- This is the main screen displayed after logging in.
- You can view the overall request status at a glance.

#### Key Features

- View statistics by request status
  - View recent request list
  - Quick action menu
-

## 4. Request List

---

The screenshot shows the REMO Data Bridge interface with the 'ANALYSIS REQUESTS' tab selected. A single request is listed in the table:

TITLE	MEMO	REQUESTER	FILES	STATUS	REQUEST DATE
2025-S-001	-	test_user	2	Pending	12/30/2025

### Description

- View all registered analysis requests in a list.

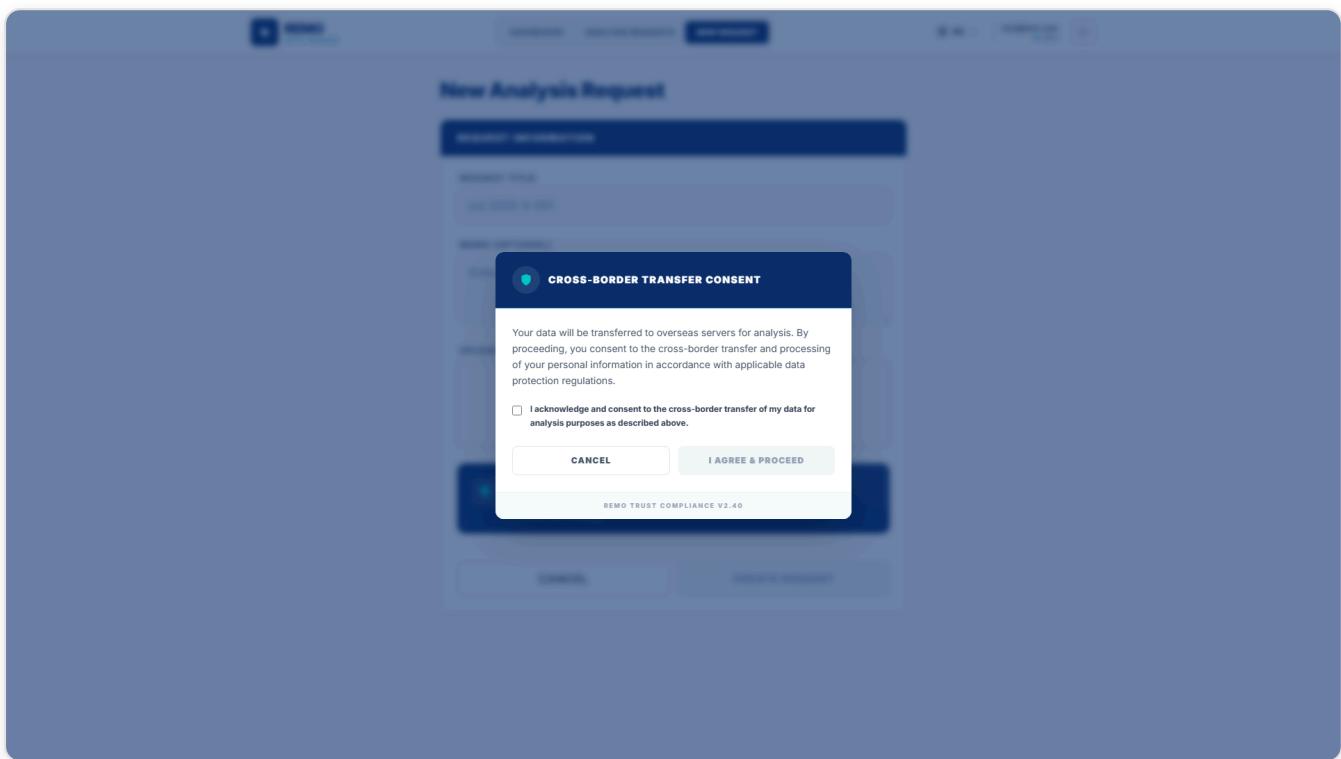

### Key Features

- Search and filter requests
  - Check request status (Pending, In Progress, Completed)
  - Navigate to request detail page
  - Create new request
-

## 5. Create New Request

---

### 5-1. Data Transfer Consent

#### Description

- When creating a new request, a **Cross-Border Data Transfer Consent** popup is displayed first.
- User consent is required as data will be transferred to overseas servers for analysis.

#### How to Use

1. Review the consent information.
  2. Click the consent checkbox at the bottom.
  3. Click the **Agree & Proceed** button.
  4. To decline, click the **Cancel** button to return to the previous page.
-

## 5-2. Enter Request Information

The screenshot shows the 'New Analysis Request' interface. At the top, there's a navigation bar with 'DASHBOARD', 'ANALYSIS REQUESTS', and a 'NEW REQUEST' button. On the right, it shows 'EN', 'test@test.com', and a user icon. The main area has a dark header 'REQUEST INFORMATION'. Below it, there's a 'REQUEST TITLE' field with placeholder text 'ex) 2025-S-001'. A 'MEMO (OPTIONAL)' field below it contains the placeholder 'Enter additional notes or instructions'. Underneath, there's a 'UPLOAD FILES' section with a dashed box for file upload, instructions 'Drag & drop files or click to upload', and a note 'Maximum 10 files'. A blue banner at the bottom left of this section states 'SECURITY DIRECTIVE' with a shield icon and the text 'AES-256 military-grade encryption active. Your data is protected during transfer and storage.' At the bottom right are 'CANCEL' and 'CREATE REQUEST' buttons.

## Description

- This is the form for creating an analysis request after consent.

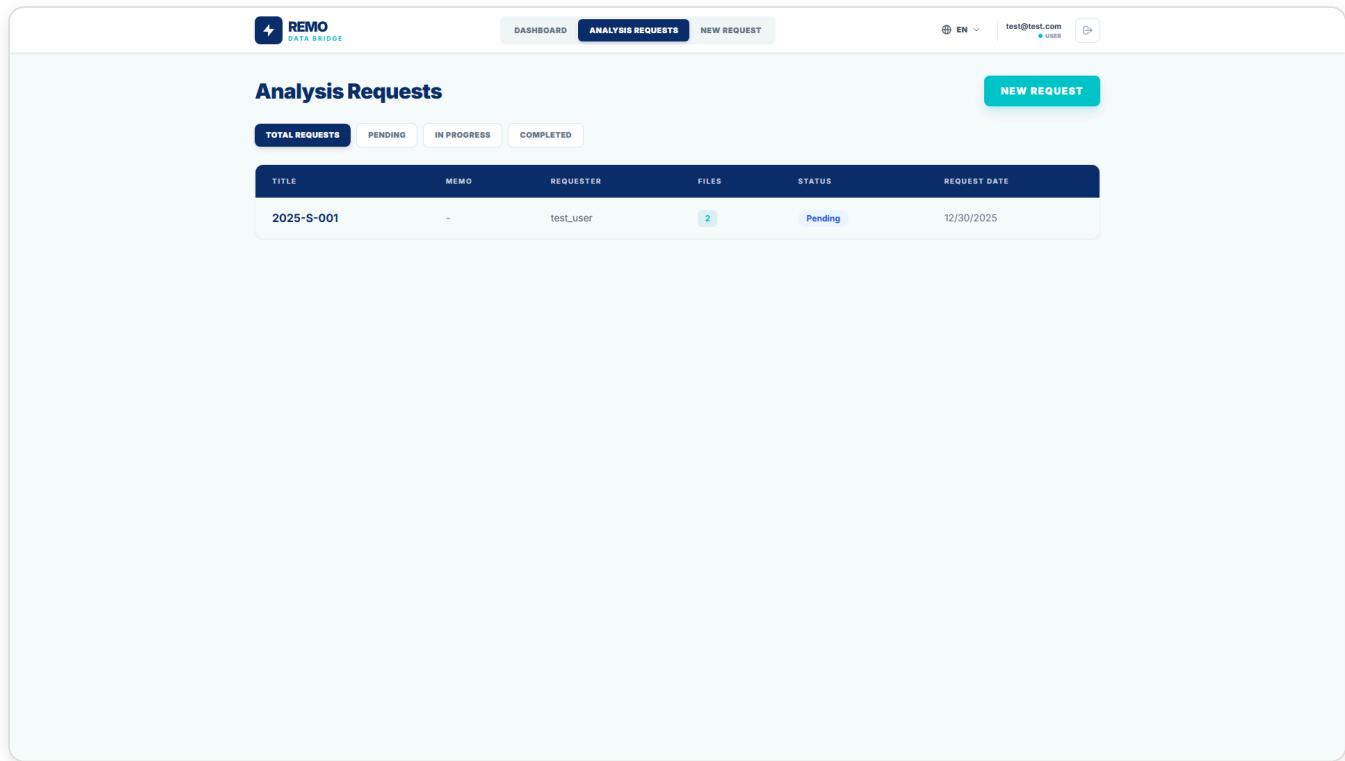

## How to Use

1. Enter the **Request Title**.
2. **Upload files** required for analysis.
3. Add a **Memo** if you have additional notes.
4. Click the **Submit Request** button.

## File Upload

- You can upload files by drag and drop.
- Multiple files can be uploaded at once.
- Uploaded files are securely transferred with AES-256 encryption.

## 6. Request Detail

The screenshot shows the REMO Data Bridge interface with the 'ANALYSIS REQUESTS' tab selected. A single analysis request is listed in the table:

TITLE	MEMO	REQUESTER	FILES	STATUS	REQUEST DATE
2025-S-001	-	test_user	2	Pending	12/30/2025

### Description

- This page displays detailed information about an individual analysis request.

### Key Features

- View request information (title, status, creation date, etc.)
- View uploaded file list and download
- Check analysis results
- Download result files

### File Download

- Click on a filename to download the file.
